

Overview

With the Secabo quick-change system, depending on the transfer press model, up to three removable plates can be mounted next to each other and replaced in a few seconds. Available for the transfer presses TC5 SMART, TC7 SMART, TS7 SMART, The BEAST and THE BEAST White Toner, excluding Secabo TCC SMART. Removable plates have to be ordered separately. The scope of delivery includes an adapter for mounting the original base plate on the quick coupler.

The adapter's special beam technology allows textiles to be comfortably covered over the base plate.
